# COMMERCIAL DOOR

RUDHAR GROUP has a range of products for commercial and residential areas such as Automatic sliding doors, Automatic swing door and garage doors.

## 1.AUTOMATIC SLIDING DOOR

Automatic sliding doors are the ideal solution for automated pedestrian access points in private and public locations: offices, shops and commercial businesses in general.

Fast and easy to install, with continuous operation, they offer top performance and reliability. Available in single-leaf or double-leaf versions. Operator for sliding doors with three-wheeled carriages, which ensures that the doors are very stable and easy to adjust, both in height and depth. The operator has a control unit with LED alphanumeric display, full-range switching power supply (100-240 V 50/60 Hz) and battery charger. Continuous operation guaranteed.

## 2.AUTOMATIC SWING DOOR

Rudhar has a new, elegant design with high aesthetic cleanness. It is an operator for single- or double-leaf swing doors and is ideal for continuous operation. It is available in a version with automatic opening and closing or with spring closing system and is recommended for public locations, such as hospitals or healthcare facilities, locations open to the general public such as hotels, offices, shops and banks, as well as in residential settings.

It is activated using buttons, sensors and key-operated or rotating selectors. Various parameters can be selected, including the Push and Go function, which is essential whenever you want to activate automatic opening by an initial manual push. With its low-energy function, which enables the door to be opened with low energy and speed, Operator is particularly suited to settings where there are people with mobility problems.

### 3.RESIDENTIAL GARAGE DOOR

Residential garage doors from Overhead Door offer a dependable and long-lasting product that enhances your home's design and curb appeal. Choose from hundreds of design options to find the perfect match for your house. From energy-efficient insulated steel doors to custom-crafted Amish carriage house wood doors, Overhead Door is sure to have the model to meet your needs. Choosing an Overhead Door™ residential garage door is more than an investment. Your garage door becomes part of your daily routine, sending you off in the morning and welcoming you home when you return. Throughout the night, your garage door also provides security and comfort, knowing your family and belongings are safe.
